

## GIATI ELEMENTS™

It's a jungle out there! Create your own personal sanctuary with Mark Singer's new Canopy Collection. Inspired by his lifetime passion for working with wood, the fruits of his labor are woven into designs alluding to the outlines of treetops and the naturally occurring beauty of wood grain. And of course, these fabrics are weatherproof, fade-resistant and guaranteed. Welcome to Giati Elements 2012, with over 250 solution-dyed textiles—suitable for year round use in any jungle, er, climate.
